Grooming for your special Moments

Hello!

I'm Nivedita Murugan, founder of Makeup & Hair Company.

I'm an internationally certified hair and makeup artist, professionally trained in Los Angeles, USA, and Toronto, Canada. My journey began as a software engineer, and over time, my passion for beauty led me to transform that precision and attention to detail into the art of makeup and hairstyling.

With over 6 years of experience, I've had the joy of working with brides, models, and creative professionals across weddings, photoshoots, and special events. I'm also deeply passionate about education and have trained and mentored 200+ students through structured courses and hands-on makeup masterclasses in India.

What started as a one-member dream has now grown into a skilled team of 6 artists, all committed to delivering elegant, personalized, and flawless results.

Thank you for choosing Makeup & Hair Company.

We would love to be a part of your special moments and help you look and feel your absolute best.
